# About Livlit

---

The Livlit is a boutique co-living accommodation facility in the archaic streets of Fort, Mumbai.

Our accommodation is perfectly distant from most colleges and business districts located in South Mumbai, whilst also giving you a certain amount of calm in this ever-bustling city.

Less than a kilometre's walk from Churchgate and Nariman Point, Livlit is a place where you can socialise, unwind and live in comfort within a thriving youth community.

Livlit is an experience in itself. It's an amazing place and the best part is it's locality, it's just situated in the heart of the city. Marine drive, Gateway...it's just a walk away. To embellish it is delicately maintained and looks exactly how it is shown in the pictures. If you're planning to stay in Mumbai, Livlit is the place for you!!
