The Bauhaus

A vibrant two storied structure, the Livlit Bauhaus is swanky in its own way. With a fully equipped pantry on each floor, numerous study & living rooms, a micro-gym and a common lounge, The Bauhaus offers more than you can expect.

Inspired by the Bauhaus Movement of the early 1900's in Germany, the Livlit Bauhaus features the use of bold but sparing primary colours.

Our Reviews

One stop for comfort, convenience and worthy cost! 1st choice of students and working professionals having their place of work a minutes away! A working kitchen with all the amenities to look after your hunger and additional discounts on tiffin services. The laundry and cleaning is taken care of. Common living area and terrace to make new friends! Indeed a classic choice to make!!

★★★★★

Livlit is an experience in itself. It's an amazing place and the best part is it's locality, it's just situated in the heart of the city. Marine drive, Gateway...it's just a walk away. To embellish it is delicately maintained and looks exactly how it is shown in the pictures. If you're planning to stay in Mumbai, Livlit is the place for you!!
